# Conference room with Opening Hours and PIN request

Call routing:

Incoming calls to conference room 610 are routed according to open hours and PIN authorization.

- PIN 1234 connects the caller as a full conference participant

- PIN 6789 connects the caller as a listing only participant

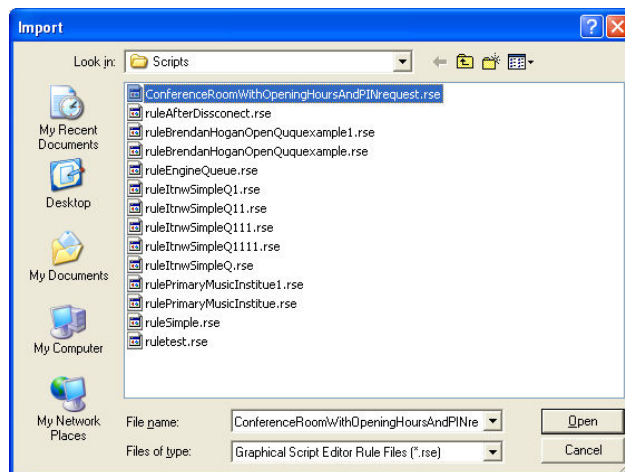

Swyx Ware prerequisite:

- Option Pack "Swyx Professional" or "Swyx ECR and Swyx Conference" must be installed

To add the script to you rule book please follow the steps below:
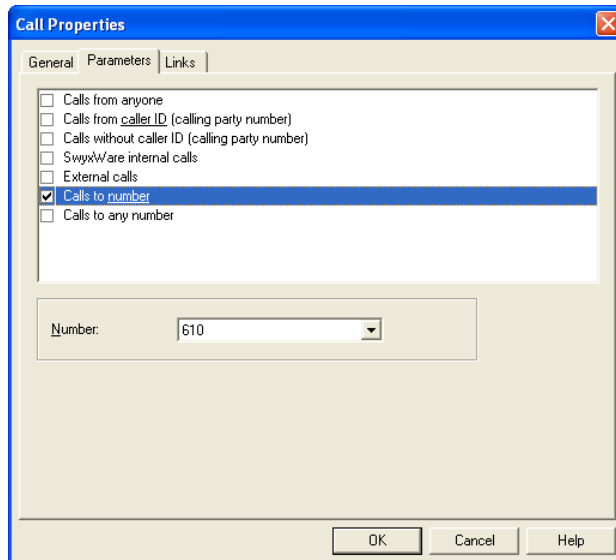

1. Click on the conference user in your SwyxWare administration

2. Make sure you have an internal and/or public number assigned to the user

3. Open the Call Routing Manager and add a new Rule
   Choose Graphical Script Editor

4. When the empty Script page is open, click on File/Import

5. Adjust the called number in "calls to number" in the second block

6. Record the following announcements to your script:

Recorded msg:
Hello. Our conference room is now open. Please enter your Pin and you will be connected.

Recorded msg:
The conference is on every Friday between 8am and 5pm. Please call in during the opening hours thank you.

7. Now, you can save your new script and activate it in your rule book.
